The International Society of Oil
Palm Breeders (ISOPB) presents

OIL PALM BREEDING WORKSHOP

29-30 November 2022 • 9.00 am-5.00 pm

Avillion Port Dickson, Negeri Sembilan

ISOPB and MPOB are jointly organising the Oil Palm Breeding Workshop in conjunction with Dr. R H V Corley Memorial Lecture. This workshop provides a platform for oil palm breeders to strategise oil palm breeding program.

Who should attend?

The seminar is suitable for breeders, researchers, academicians, consultants, students and those interested in oil palm breeding.

To honour
Dr. R H V Corley's
contribution to
oil palm science
and industry

DR. R H V CORLEY MEMORIAL LECTURE

30 November 2022 | 2.30 - 5.00 pm

The lectures will be focusing on Dr. Corley's contribution, which include:

- Oil palm physiology
- Enhancement of oil palm R&D in Sime Darby
- Improving palm oil yield in the plantation
- Oil palm tissue culture R&D
- Oil palm molecular R&D
